Jesus My Lord

Moderately

Ngài Ơi

Music: Viễn Xứ

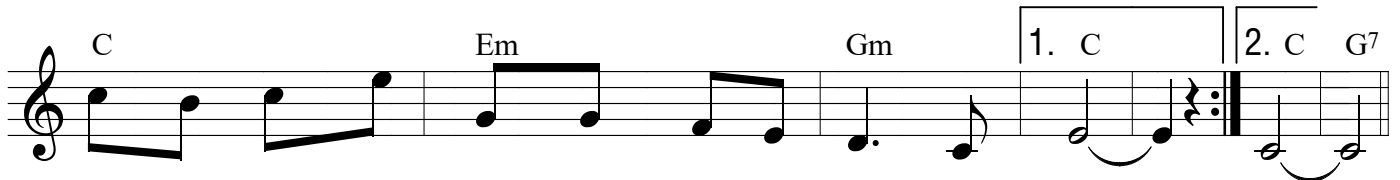

English lyrics: Têrêsa Hồng

1. Lord, You are my for- tress in my time of dis- tress.
Like the streams of wa- ter flow- ing in the sum- mer.

2. When I'm full of sor- row, chas- sing dreams like sha- dows.
When my hands are trem- bling, when my tears are fall- ling.

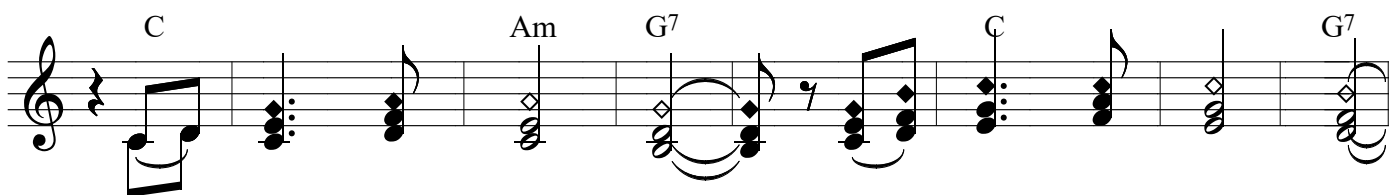

3. You so loved us that day when You died in our place.
This bread is our true food, this cup is His true blood.

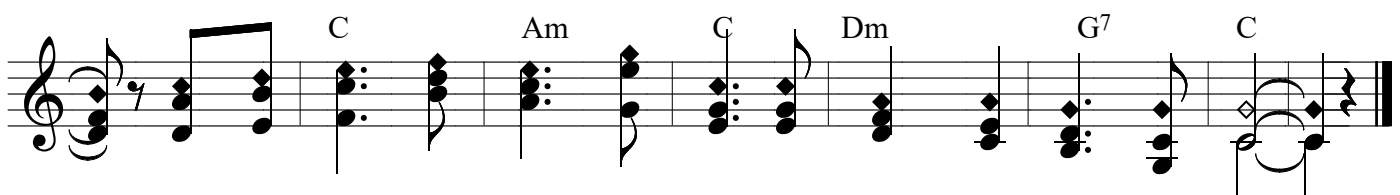

You a- lone bring com- fort in my time of rest.
You de- liv- er me from all anx- i- e... ..ty.

When all hope seems faint and I lay here in pain.
Come and make my heart re- joice in You, my... ..God.

Through your cross You paid for eve- ry sin with grace.
In this Sa- cri- fice con- ceals e- ter- nal... ..life.

Refrain: Je- sus! O, my Lord. My soul waits for You.

Come and fill my heart with joy, I long to be with You.
